SUPERINTENDENT J. E. ZIMMERMAN

To

Superintendent J. E. Zimmerman

High School Principal 1939-1942

Superintendent of Schools 1939-1946

Under the direction of Superintendent J. E. Zimmerman, and aided by a co-operative Board of Education, Winslow High School has been able to maintain its usual high standards in spite of wartime difficulties. During his administration, the school has kept step with the best of modern educational trends.

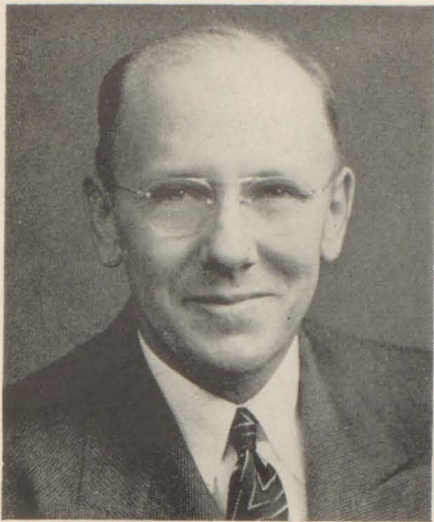

The public has found Mr. Zimmerman to be both business-like and cordial. He has a deep and sincere concern for the youth of Winslow. They, in turn, have a genuine respect for his advice and counsel. His ideals and philosophy have been widespread throughout the community on the many occasions when he has occupied the platform at many public occasions. The churches of Winslow are indebted to him for many fine addresses delivered from their pulpits.

Through his personal influence and administrative ability, Mr. Zimmerman has made Winslow High School an institution in which the community takes pride.

SENIORS

As the graduating class of 1946, we Seniors look back upon our last four years in Winslow High School with fond memories. A review of all our activities would be impossible, but we can touch upon a few of the high points in our high school life.

During our Freshman year, we were subjected to the initiation of the upperclassmen. We faithfully carried out our obligation of constructing the "W" for the football rallies. Also, along with the Juniors, we presented the traditional Junior-Freshman dance.

As Sophomores, we added to our prestige by helping to present the Senior-Sophomore dance. In that same year, the Bulldog Rumpus was revived. We took second place honors on our float and placed first in the interclass basketball tournament and second in the interclass track meet.

By the time we had become Juniors, our fame and prestige had become widely known. Our Junior play, "June Mad," was a roaring success, bringing down the house in every act. We, along with the Freshmen, presented the annual Junior-Freshman dance and won the interclass track meet. For the second straight year, we made more money than any other class in the Bulldog Rumpus. Our crowning achievement in our Junior year was our presentation of the Junior Prom. Heavily decorated in a patriotic theme, the Prom was declared the best ever held in Winslow High School.

At last, after eleven long years of study, we became the mighty Seniors, undisputed rulers of Winslow High. With the aid of the Sophomores, we put on the Senior-Sophomore dance. In November we presented the Senior Play, "The Goose Hangs High." Our last formal presentation to the High School was the Senior Hop, proclaimed one of the finest ever held.

Now as we take our leave of our Alma Mater, we wish to bequeath to its future graduating classes the joy and happiness we have had throughout our high school life.

JUNIORS

The Class of '47, that's us. We're the same bunch that started three years ago as freshmen but today you might say, "We've lived and learned. We've lived through three years of trying education and three joyous years of fun and frolic. We've learned, oh, a little math, English, history and also that cooperation and enthusiasm is what makes the world go 'round."

Our class has the brains and some brawn. Our Junior Play "Easy Money" was a big hit and the prom, an event to be long remembered.

We are all looking forward to our Senior year when we will truly be the "Class of '47." We believe in ourselves and in our class and we're sure ours will be remembered as one which did things and in such a way as to be admired and envied.

SOPHOMORES

The Sophomore class of 1946, in our own minds, is the best class in Winslow High School. We first entered in Junior High as seventh graders, where we were looked down on by the upper classmen. We went on into eighth grade, where we felt very proud of ourselves. We kept looking forward to graduation and our first year in High School.

As Freshmen, we had a swell time. All Freshmen were called "Green" and we were really green! One job we had was making the "W" for the football rallies. They always burned or else we poor Freshmen did the burning!

Now we have climbed another step in our education. We are the "Sophomores." We participated in the Bulldog Rumpus and made a float for the parade, and we won 3rd prize. We also had a "Western Union" and a "Nite Club" which were enjoyed by all.

As we climb two more steps toward our goal we hope to make this a better High School by our presence.

FRESHMEN

Coming to Winslow High School as seventh graders in 1944, we have finished the first year in our High School career.

We had two successful years in Junior High. In the seventh grade we were pushed around a lot but nevertheless we did our part. We helped in the Bulldog Rumpus and in other school activities.

The next year we were the high and mighty eighth graders. This year we reorganized the Junior High Council after it had been inactive for a year. The council succeeded in putting on a Junior High Dance. Again that year we helped in the Bulldog Rumpus and we brought in more money than any other class. On May 25, 1945, we received our diplomas and we are now Freshmen.

The next fall we started school as Freshmen, a bit uncertain and very unsure of ourselves. As others had done, we also built the "W." We were very worried whether it would burn or not, but luckily they all did.

We put on the Freshman Assembly on October 3rd. It consisted of two skits, "Who Said Study Hall?" and "May I Have This Dance?"

For the Bulldog Rumpus this year we had Bingo, a White Elephant Auction and a Kangaroo Court.

In December, with the able assistance of the Juniors, we put on the Junior-Freshman Dance.

The Freshmen boys have been active in both football and basketball. In basketball, several Freshmen were on the "B" squad and played in the "B" squad games.

After having completed our first year in our High School career, we are looking forward to our next three years in Winslow High School.

Junior High Student Council

The Junior High School takes pride in participating in many of the activities of the school. This year the eighth grade won first place in the Bulldog Rumpus Parade while the seventh grade took second place. Some of the outstanding shows and concessions of the Bulldog Rumpus were those sponsored by the Junior High.

During the school year each home room presents an assembly program before the entire Junior High School.

The Junior High School Council officers elected for this year were: President, Albert Greer; Vice-president Jerry Spears; Secretary, Helen Woo; Treasurer, Nancy Stout; Editor, Lois Zahnley; Representative, Florence Mast; Boys Athletic Manager, Dickie Bates; Cheer Leader, Norman Jennings.

Each home room also elected a boy and a girl representative to the Junior High Council. Mr. Gardner is sponsor of the Junior High Council.

Wilson School

One of the outstanding improvements to the Winslow Public School System was the completion of the Wilson School, formerly the old high school.

Superintendent J. E. Zimmerman made arrangements, under the direction of the Board of Education, to borrow money from the Santa Fe Railway Company to finance alteration and repair of the condemned building, abandoned since 1929. Through the cooperation of the Santa Fe and the Board of Education, the building was put in shape for the sum of \$40,000, considerably less than the cost of a comparable new building.

A machine shop equipped with \$40,000 worth of machinery was obtained through War Emergency Training funds. Mr. Strack conducts classes of three hour periods for high school boys in the new shop.

Mr. James P. Lovett is head teacher and teaches a 6th grade section. Other six grades are taught by Mrs. Florence Dingle and Mrs. Rosie Johns. A seventh grade section is taught by Miss Edith Eckert. Coach W. W. Armstrong is in charge of boys' physical education.

Student Council

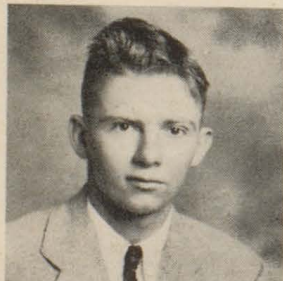

The Student Council of Winslow High School was organized on November 2nd, 1932.

Candidates for Student Body Officers are nominated early in the year. They are presented before the school assembly in order that each might speak as a candidate. The following were elected as Student Body Officers for the 1945-46 school year: President, Bob Heartz; Vice-President, Phyllis Ingledew; Secretary, Ruth Brimberry; Treasurer, Ruby Westerson; Cheer Leader, Marie Sharar.

Each High School Class also elects three members to the Student Council, and each club or organization has one representative on the Council.

The Student Council sponsors the following events: Get Acquainted Dance, Home Coming Dance, Christmas Assembly, Bulldog Rumpus. This year for the first time it sponsored the Thanksgiving Ball, which will probably be an annual event.

The sponsor of the Winslow High School Student Council is the High School Principal, Mr. Wolfenbarger.

National Honor Society

The Honor Society of Winslow High School was founded in 1935 by Principal, R. E. Booth. In 1936 Miss Verla Oare became the sponsor. The Honor Society has played an important part in the activities of Winslow High School since its organization.

With the advice of Mr. Wolfenbarger, the local Honor Society petitioned the National Honor Society for a charter on January 10th, 1946, Charter Number 3109 was granted to the Winslow Honor Society.

The National Honor Society of Secondary Schools was founded by the National Association of Secondary School principals in 1921. The purpose of this organization is to encourage scholarship, leadership, service and character in high school students of the United States.

The officers and charter members of the Winslow Chapter are:

“W” Club

The Winslow High School Lettermen's Club is now in its 16th year of existence. It was organized during the second semester of the 1931-32 school year.

At the time it was organized, the requirements were that members must be two-year lettermen in any sport or seniors with one letter.

The purpose of the “W” Club was to install in the minds of students and lettermen a desire for clean athletics and good sportsmanship.

Though the Club has been inactive at times, it has been kept alive by a small group. In the past two years it has come back to life and has now laid plans for the Annual Spring Formal and other activities.

With the graduation of the Class of '45, the club membership dwindled down to 6 members, but now it has a total of 25 members.

The first officers of the Club were:

President—David Parker; V. President—Ralph Wickham

Secretary—Louis Giragi; Treasurer—George Stevens

The present officers of the Club are now:

President—Wilfred Toya; V. President—Orville Brown

Representative—Anthony Purley.

THESPIANS

Membership in the National Thespians is a privilege and an honor. To qualify for membership to Thespians, it is necessary to have at least ten points in dramatic work. These points are awarded to students as they qualify in roles of the Junior and Senior plays. Business and stage managers are also given due credit for their work in the production of these plays.

The National Thespians Dramatic Society for High Schools was founded early in the spring of 1929 at Fairmont State Teachers College at Fairmont, West Virginia. The society for students at Winslow was organized by Mrs. Curry, former teacher of dramatics, in 1937.

The Thespians have produced many plays, the latest being "Death Takes a Holiday." They also presented the school with a master switch which controls all the lighting of the auditorium.

Students qualifying for membership from the Senior play, "The Goose Hangs High," were initiated February 19th.

The officers this year are Milton Sema, President; Mary Jean Evans, Vice-President; Pat Wiley, Secretary; Mary Edna Walton, Treasurer; Rose Marie Stanley, Council Representative.

Senior Play

The annual Senior Play of Winslow High School was presented December 14, 1945. This year the class and sponsor selected the play called, "The Goose Hangs High." The play was first given as a matinee for the High School and Grammar School students. The final performance was considered to be a tremendous success, even though the audience was limited by the unfavorable weather.

The theme of the play dealt with the trials of an average American family and the uniting of the family into a common group when faced by bankruptcy.

BAND

The Winslow Junior-Senior High School Band was organized last year by Mr. Phillips, director. This organization meets every Monday afternoon. It promises to become outstanding among the school bands of Northern Arizona.

The band takes part in many school and public activities. This year the band members plan to compete in the Annual Spring Festival at Flagstaff State Teachers College.

The maroon and white uniforms of the band represent the colors of the Winslow High School. They consist of maroon caps, maroon and white coats, and white trousers.

The band offers every student of Winslow High School an excellent opportunity to learn to read music and to play the particular instrument of his choice.

High School Glee Club

The High School Glee Club consists of forty-four members under the leadership of Mr. Phillips. This organization has done a great deal to provide entertainment for various other programs of Christmas music. They have performed at Rotary Club, the Methodist Church, and helped out in several assembly programs in the school. It also has done a great deal for other organizations in the community. A number of the members have appeared as soloists or in duets, trios, and quartets. They took part in the Northern Arizona Music Festival at Flagstaff in April. We can well be proud of our High School Glee Club.

Science Club

The Winslow High School Science Club, founded in March, 1945, is one of the newest organizations in Winslow High School. This year the club has added two new sponsors, Mr. Rapson and Mr. Taylor, to assist the sponsor of the club, Mr. Gardner. This club is now affiliated with the Science Clubs of America, a national organization dedicated to the development of science talent. Membership consists of persons interested in the advancement of science. The club is open to anyone interested in school students who have taken at least one science course. This winter, seven new members were initiated into the club. This initiation was made up by the members of the club.

The Science Club meets every other Monday evening at 7 P. M. First there is a short business meeting after which there is time for various experiments.

RIFLE CLUB

The Winslow High School Rifle Club was granted a charter by the National Rifle Association May 2nd, 1939. Members of the Rifle Club shoot every Saturday morning at 9:30 when the weather permits. There are certain qualifications which every member strives to meet. These stages are: Pro-marksman; Marksman; Marksman 1|C; and Sharpshooter. All four standard shooting positions must be used in qualifying for these medals.

The officers for 1945-46 are as follows: Clifford Gilley, president; Milton Sema, range officer; both of these members also held the same position last year. New officers were elected as follows; John Irwin, vice-president; Virginia Edge, secretary.

Each year championship matches are held to determine both boys and girls champions. Last year, the boys' match was won by John Irwin and the girls' match was won by Mary Jean Evans. Mr. Olmsted and Mr. Gardner act as sponsors for the club.

First Row: Lois Zahnley, Clifford Gilley, Wilfred Toya, Mr. Rapson, Marie Sharar, Eva Lee, Lee Rader.
Second Row: Doris Mark, Donna Scott, Gerald Dickson, Robert Brimberry, Lynn Rhodes, Milton Sema, Bobby Ames, Charles Nesting.

Compiling the activities of the entire year into one short volume is the job of the Annual Staff each year. Working day and night, this group has carefully pieced together the memories of school days which would other wise be lost. Cutting and pasting pictures, writing unending copy, checking and re-checking, to avoid all possible error, hoping that this year's book would be the best ever produced in Winslow High School, all this has finally ended and now the product is "finished."

The editor, Lynn Rhodes, was faced with the double load of either writing copy for his assistants or urging them to meet the deadline drawing ever nearer. However, his enthusiasm spurred on the staff to work with speed and accuracy, and to produce a book of which all might be proud. In their labors, the staff had the help of the new Annual Sponsor, Mr. Rapson.

Bulldog Barks

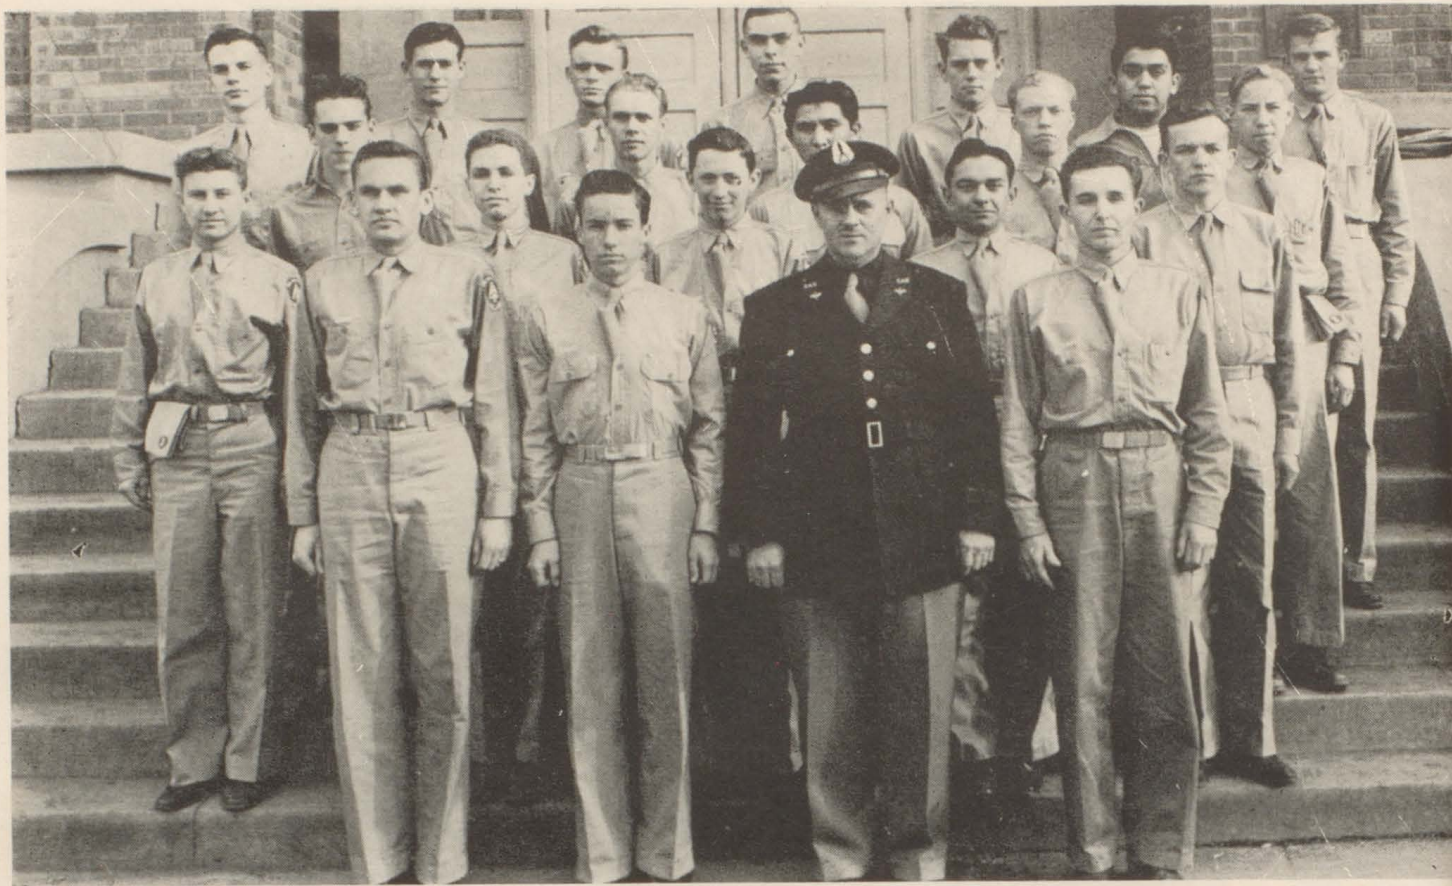

Gerald Dickson, John Irwin, Charles Govern, Bob Heartz, Calvin Chavez, Rose Marie Stanley, Pat Wiley, Jeraldine Evans, Billy Moore, Marie Sharar, Zelda Zahnley, Maxine Bagwell, Donna Mark.

Traditional school paper, was issued semi-monthly during the first semester but changed to a weekly during the second semester. The staff, made up of Seniors, is headed by Co-Editors, Gerald Dickson and Donna Mark. The faculty advisor is Miss Estellee Hinson. Others on the staff are Calvin Chavez, Zelda Zahnley, Rose Marie Stanley, Bill Moore, Maxine Bagwell, Jeraldine Evans, John Irwin, Pat Wiley, Charles Govern, Bob Heartz, Marie Sharar, and Eva Lee Radar.

As a weekly, the Bulldog Barks consists of four pages of condensed up-to-the-minute news, feature stories, and "snoop."

The Bulldog Barks has a weekly circulation of about 450 copies. In addition to the students, about 50 other schools and over 100 servicemen, formerly of Winslow High School, receive the paper. These men, now in the service of their country, rate the Bulldog Barks high as a morale builder.

The Staff of the Bulldog Barks, in addition to putting out a weekly paper, make the programs for most of the sports, games, plays, dances, and other school events.

Civil Air Patrol

The Civil Air Patrol Cadet Course is a new subject offered to the students of Winslow High School. Any one from 17 to 26 years of age in the high school is eligible to take this course for a full high school credit.

Many attempts have been made in the past to initiate a C. A. P. Cadet group here, but is the first year it has been possible.

The C. A. P. Cadet program was founded October 1, 1942 and on April 29, 1943 the C. A. P. was transferred to the War Department by order of the President. Immediately after the war, the Army threatened to sever relations with the C. A. P., but now under the post war C. A. P. program, it is still affiliated with the A. A. F. and the training of the cadets will be part of their permanent military record.

The Winslow flight of the C. A. P. Cadets is well equipped for the training of the Cadets. A B-17-G was recently purchased for ground instruction, and many training films are used in the class room.

It is hoped that in the future the C. A. P. Cadets will remain a permanent course in the Winslow High School.

Pep Squad

Under the presidency of Zelda Zahnley, the Pep Squad of 1946 has had many success in 1945-46. It has marched at nearly all of the home football games and some of the basketball games.

Pep Squad girls are chosen every fall from the Senior, Junior, and Sophomore classes. Then, on a certain day set by the Pep Squad Girls, the students are surprised to see the new members of Pep Squad, called "Rats" appear at school, draped in torn overalls, shirts, and shoes, and smelling of onions, strong perfume, and anything else that would add to the fun of the "Superiors."

Following initiation of new members, the Pep Squad gets down to work on their marches. They also put on the annual Reverse Dance and Football Banquet.

Officers of Winslow High School Pep Squad are: President, Zelda Zahnley; Vice-President, Marie Sharar; Secretary; Ella Jo Greer; Treasurer, Phyllis Ingledew and Cheer Leader, Ella Mae Feagins.

Football

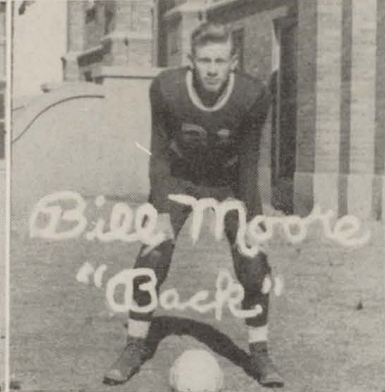

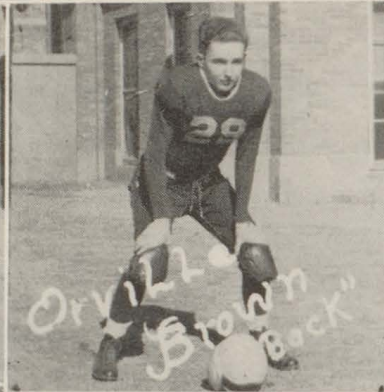

The Winslow Bulldogs, coached by W. W. Armstrong, had a successful season, being defeated only by Prescott. They finished the season tied with Kingman for the second place in the Northern Arizona Conference.

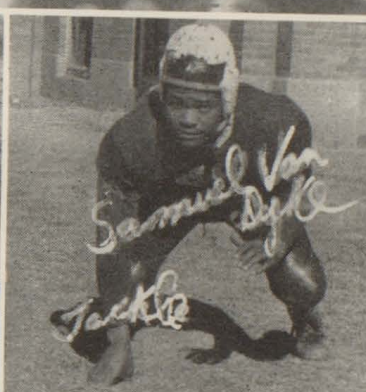

The Bulldogs got off to a slow start, but finished the season by defeating the Flagstaff Eagles 26-7 in the final game.

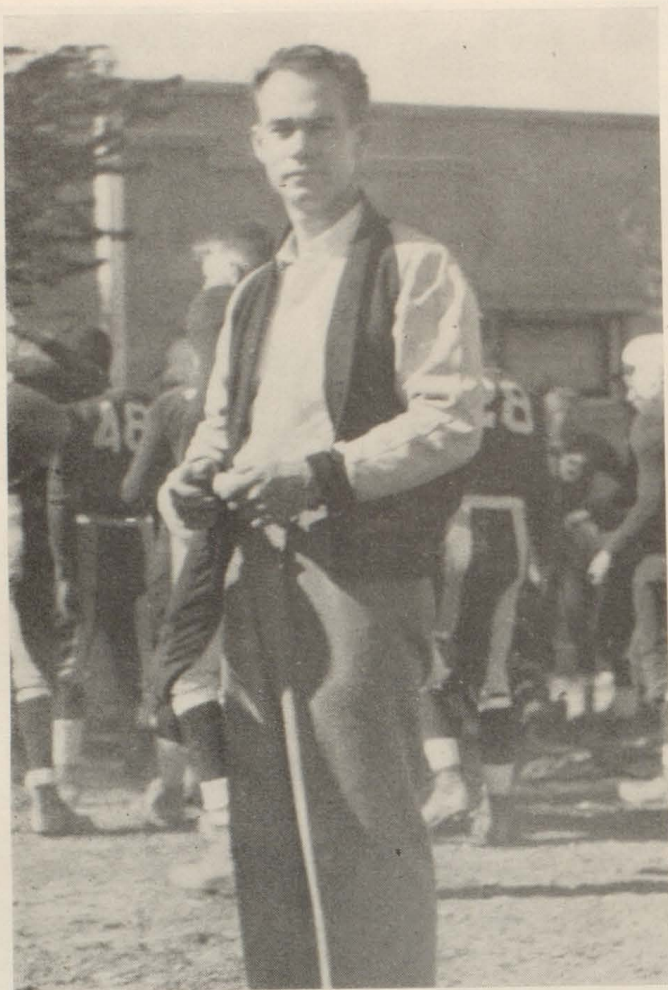

The most outstanding game of the year was that played with the Prescott Badgers. The Bulldogs held the highly favored Badgers to a 7-7 tie at half time. The weight of the Badgers told in the final half with Prescott winning 14-7. Another fine game played by the Bulldogs was that with the Gallup Tigers. Gallup had beaten Winslow for the last two years, but this year the Bulldogs defeated Gallup 19-7. The Bulldogs played other fine games against Williams and Snowflake, defeating them both by large margins..

COACH W. W. ARMSTRONG

Coach W. W. Armstrong began his coaching career in Winslow High School in 1943. That year his team was undefeated, winning the championship of the Northern Arizona Conference.

In 1944 he had another very successful season which ended with Winslow in a tie with the Prescott Badgers for top honors. In 1945 his team tied Kingman for second place in the Northern Arizona Conference.

The outstanding success of his many teams is due to his fine coaching methods. Coach Armstrong was the first coach to use the "single wing" in Winslow. By means of this powerful formation, the Bulldogs have risen to an outstanding position in Northern Arizona.

Coach Armstrong is very well liked by all athletes who have ever played under him. Winslow will turn out fine teams as long as Coach Armstrong has charge.

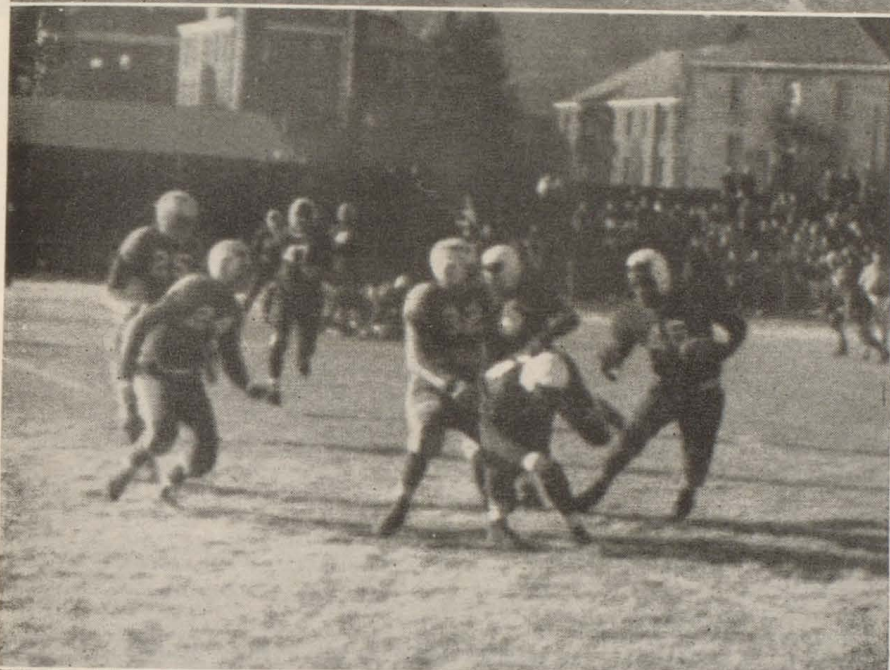

CAPTAIN CHARLES S. NESTING

Charles Nesting began his career in football in 1943, the year in which Winslow won the undisputed championship of Northern Arizona. In 1944 Charles graduated to first string center where he began to deal out punishment on a wholesale basis. He was selected on the All Northern first team and Honorable Mention All State. In 1945, Charles' senior year he was elected captain. He was again selected first team All Northern and third team All State. Authorities say that Charles might have been given high honors on the All State team if a few more coaches had seen him in action.

Basketball

"A" SQUAD

The Winslow Bulldogs, coached by Glenn Olmsted, and lead by Captain Bob Hartz, had a successful season, winning twelve games, and losing only seven.

Two of the most exciting games were those with Holbrook and with Clarkdale. In the Holbrook game, Winslow led up to the middle of the third quarter, when two Winslow regulars fouled out. Holbrook then took the lead and went on to win 45-37. The Clarkdale game was the last home game of the season. Previously, Clarkdale had beaten Winslow at Clarkdale 53-36. However, Winslow played their best game of the season, beating Clarkdale 43-35.

The Bulldogs then went to the Northern Arizona Tournament at Flagstaff. In the first game, they defeated Williams 39-27. However, in the second round of the tournament they were defeated by St. Johns 40-30. At the end of the tournament, Bob Hartz was elected Second Team Center.

Following the regular season, the Bulldogs entered the city tournament, winning first place.

Basketball Summary

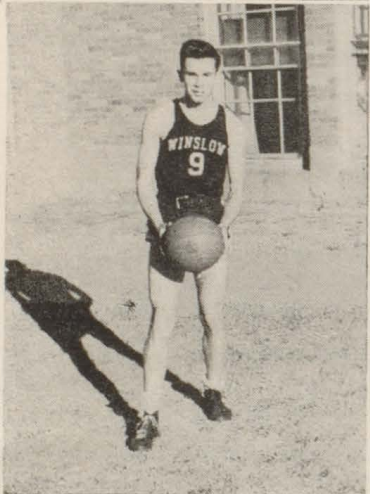

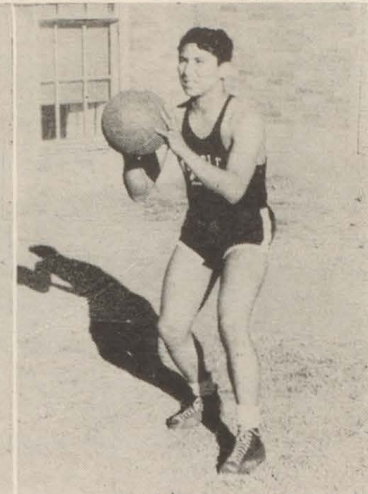

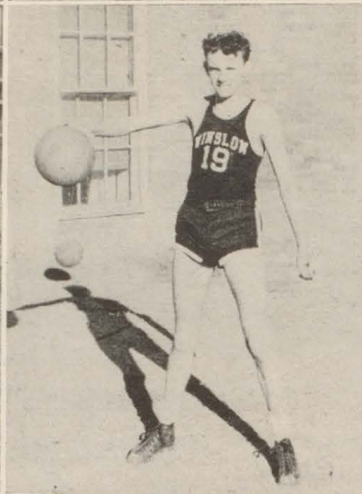

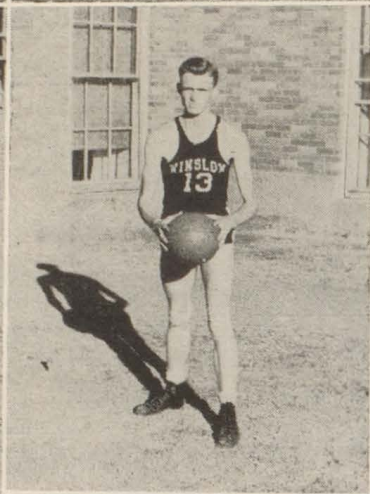

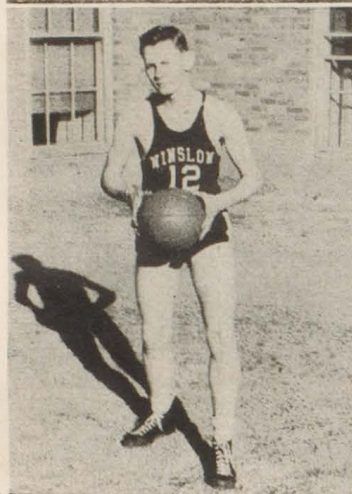

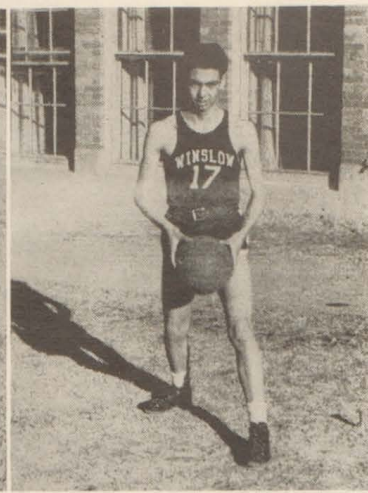

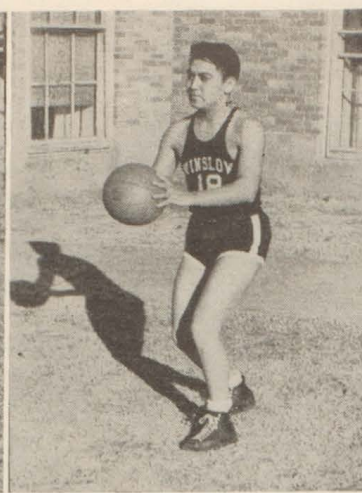

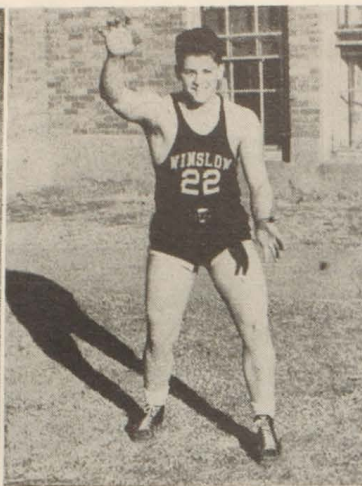

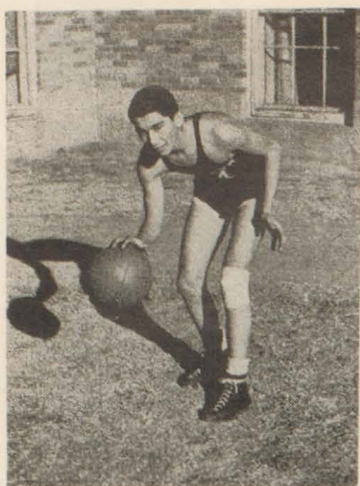

The 1945-46 Bulldog five consisted of four seniors and one junior. Scoring was led by Capt. Bob Hartz, who was high point man in all but four of the games played.

Scoring for the season was as follows:

	Total Points	Av. Per. Game
Bob Hartz	203	11.3
Bob Ames	159	8.4
Bill Moore	114	6.3
John Irwin	111	5.8

Glenn N. Olmsted

The Bulldogs were ably coached this season by Glenn N. Olmsted. Under his guidance the Bulldogs won twelve of the nineteen games played. Previous to this season, Coach Olmsted had handled the "B" squad.

Coach Olmsted has had long experience in handling athletic squads, and in addition has devoted a considerable amount of time to the welfare of the student body of Winslow High School. He is a favorite not only with his squad, but with all the students with whom he has been associated.

James P. Lovett

The newest addition to Winslow High School coaching staff is James P. Lovett, head teacher of the Wilson School. Mr. Lovett came from Duncan where he was assistant basketball coach for a number of years. During this period, Duncan was considered to be one of the outstanding basketball centers of the state; their greatest feat was winning three successive State Championships in Basketball.

In addition to supplying the "B" squad with the essentials of basketball, he coached baseball for the first time in the history of Winslow High School. Mr. Lovett is well liked by all athletes.

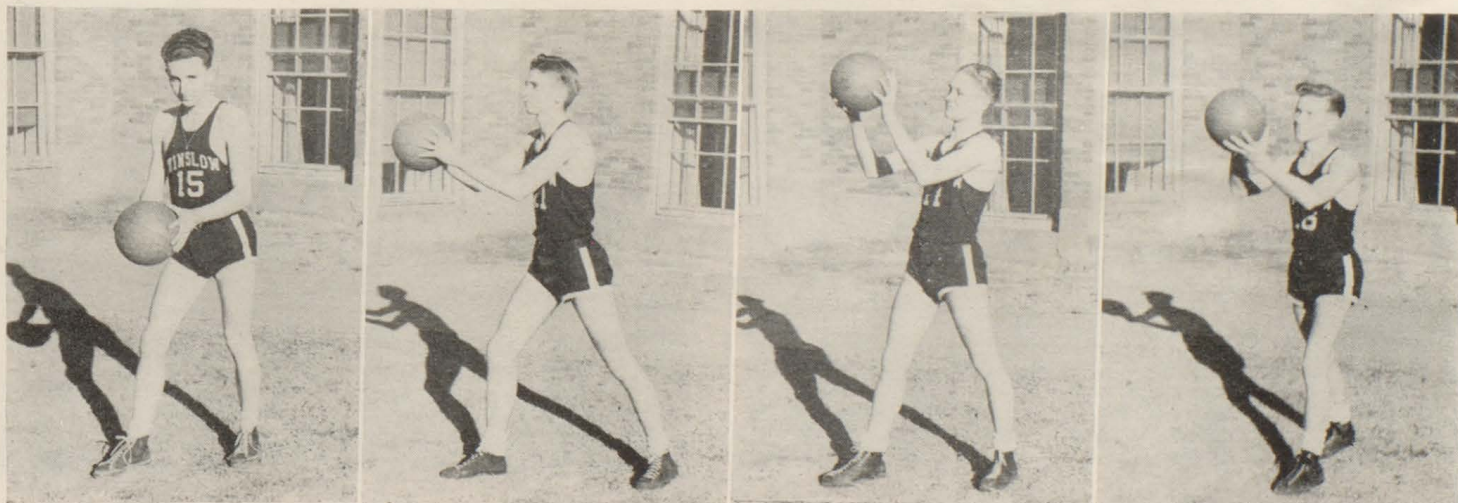

Mr. Lovett is a graduate of Arizona State College at Flagstaff.

"The Bull Pups"

COACH JAMES LOVETT

This year the Bullpups were successfully coached by James Lovett. This is the first year Coach Lovett has taught or coached in Winslow. The Bullpups had a 50-50 season, winning four and losing four.

Being under a new coach the Bullpups got off to a slow start, but were full speed at the end of the season. They lost their first three games; Snowflake, Holbrook, and Snowflake. They defeated Williams, a victory which gave them the winning spirit. Then they defeated Holbrook. During the rest of the season they split even, losing to Joseph City and defeating Williams. The City Tournament ended their season.

SCHEDULE

Winslow 17.....	Snowflake 29	Winslow 48.....	Holbrook 31

Back Row: Alfred Siow, Wilfred Toya, Coach Armstrong, Orville Brown, Cliff. Gilley.

TRACK

The Winslow "thinclads" started their season in 1946 with fifty prospects reporting for the first workout. With a number of veterans on hand to boost the morale of the squad, it looked as if Winslow would have a banner year.

The returning letterman were: Cliff Gilley, 100-440 yard dashman; Orville Brown, high jump, pole vault, and broad-jump; Wilfred Toya, distance man; Louis Sanchez, half miler; Alfred Siow, miler, and Sam VanDyke, weights and sprints.

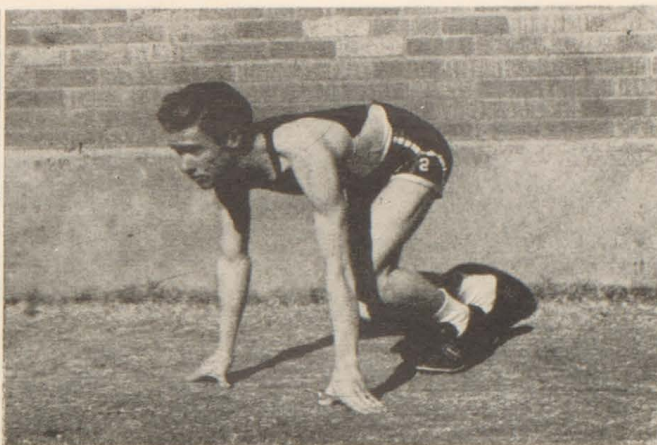

The team pointed first for the Arizona State Relays at Tempe, a meet which is new this year. Following this meet is the Interclass duel, with the champs of 1945, the Seniors, favored to again take top honors. Next on the schedule, is the Winslow Invitational Meet, which was discontinued throughout the war years. Following this comes the most important meet of all, the State High School Track Meet at Tuscon.
